

Memorandum of Understanding Establishing a Transfer Pathway Between

BATON ROUGE COMMUNITY COLLEGE
Associate of Science in Computer Science
AND

UNIVERSITY OF LOUISIANA AT LAFAYETTE
Bachelor of Science in Computer Science
Bachelor of Science in Informatics

This *Memorandum of Understanding* (MOU) serves as an agreement between Baton Rouge Community College (BRCC) and University of Louisiana at Lafayette (UL LAFAYETTE) to facilitate transfer for students desiring to earn a Bachelor of Science in Computer Science (BSCS) or a Bachelor of Science in Informatics (BSIT) upon completion of their Associate of Science (AS) in Computer Science at BRCC.

In order to receive the AS in Computer Science degree, students must earn a grade of "C" or better in each course.

BRCC students in the AS in Computer Science who declare their intent to pursue the BS in Computer Science or the BS in Informatics in the Ray P. Authement College of Sciences, School of Computing and Informatics at UL LAFAYETTE will be:

1. Admitted to UL LAFAYETTE as a junior upon having successfully completed the BRCC AS in Computer Science and having earned an overall GPA of 2.0 or above on all work attempted.
2. Admitted to UL LAFAYETTE using the catalog of record upon entry at UL LAFAYETTE and assigned a faculty advisor at UL LAFAYETTE for assistance, in accordance with policies of UL LAFAYETTE's Ray P. Authement College of Sciences, School of Computing and Informatics.

In Accordance with this *Memorandum of Understanding*, UL LAFAYETTE agrees to:

1. Deliver curriculum information to BRCC for the BSCS degree program and the BSIT degree program.
2. Encourage and support students to complete the AS in Computer Science prior to progressing to the BS program at UL LAFAYETTE.
3. Provide UL Lafayette advisors to participating students in the AS in Computer Science at BRCC. Advisors will be available by telephone and email, as well as for on-site appointments at the UL Lafayette campus.
4. Communicate in a timely manner any and all degree program changes to BRCC Chairperson of Engineering and Computer Science.
5. Encourage BRCC students to become engaged in activities and/or events held by professional student organizations at UL LAFAYETTE.

In accordance with this *Memorandum of Understanding*, BRCC agrees to:

1. Maintain files related to the progression of students in this program.
2. Encourage students to pursue the transfer pathway, and advise students to progress in a timely manner.
3. Develop, in conjunction with UL LAFAYETTE, an "Intent to Participate" agreement that will allow seamless record transferability and data sharing in compliance with the *Family Educational Rights and Privacy Act* (FERPA).
4. Provide UL LAFAYETTE, with the consent of the participating students, the transcripts of the participating students, in order to facilitate the recording of student data at UL LAFAYETTE and to allow for timely advising.
5. Convene annually with UL LAFAYETTE representatives to assess student progress in the Computer Science AS.
6. Communicate program changes to UL LAFAYETTE.
7. Promote and market the program in the BRCC service area.
8. Recognize the transfer pathway in the BRCC catalog under the program description for Associate of Science in Computer Science.
9. Coordinate student participation in UL LAFAYETTE activities and/or events held by student organizations.
10. Provide UL Lafayette with evaluation of outcomes on an ongoing basis for computer science courses in order for UL Lafayette to continue adhering to the Accreditation Board for Engineering and Technology (ABET) accreditation requirements.

Additional Information:

This agreement is effective upon signing. Either party may terminate the agreement through a written notice of intent at the end of the semester of notification. Should the agreement be discontinued, students who declared their intent to participate will be allowed to progress through the curriculum and complete the program according to the terms of the original agreement.

Changes to this agreement may be made at any time, in writing, with a 60 day notice, with the express written agreement of the chief academic officers of each campus.

Both parties will share assessment data and will meet periodically to assess the program.

The current BRCC Associate of Science in Computer Science degree and the transferability of that degree's credits to UL LAFAYETTE'S Bachelor of Science in Computer Science and Bachelor of Science in Informatics degree are attached and made a part of this agreement.
