

# Associate of Applied Science in Veterinary Technology

Degree checklist for students enrolled (2014)

BRCC Catalog (2013-2014)

| General Education Courses:                            | Course Taken | Semester/Year Taken | Grade Earned | Grade Req. | Hours     |
|---|--------------|---------------------|--------------|------------|-----------|
| English Composition I (ENGL 101)                      |              |                     |              | >=C        | 3         |
| College Algebra (MATH 101 or 110)                     |              |                     |              | >=C        | 3         |
| Biology I for Science Majors (BIOL 120 and 120L)      |              |                     |              | >=C        | 4         |
| Introduction to Psychology (PSYC 201)                 |              |                     |              | >=C        | 3         |
| Interpersonal Communication (SPCH 210)                |              |                     |              | >=C        | 3         |
| Other required  | Course Taken | Semester/Year Taken | Grade Earned | Grade Req. | Hours     |
| Animal Health Careers (VTEC 101)                      |              |                     |              | >=C        | 1         |
| General Microbiology (BIOL 210)                       |              |                     |              | >=C        | 4         |
| Required Courses                                      | Course Taken | Semester/Year Taken | Grade Earned | Grade Req. | Hours     |
| Vet Office Procedures & Hospital Mgmt (VTEC 102)      |              |                     |              | >=C        | 3         |
| Veterinary Medical Terminology (VTEC 103)             |              |                     |              | >=C        | 1         |
| Animal Breeds and Behavior (VTEC 104)                 |              |                     |              | >=C        | 1         |
| Animal Anatomy & Physiology (VTEC 105)                |              |                     |              | >=C        | 4         |
| Animal Anatomy & Physiology Laboratory (VTEC 105L)    |              |                     |              | >=C        | 1         |
| Pharmacology for Veterinary Technicians (VTEC 108)    |              |                     |              | >=C        | 2         |
| Animal Nursing Skills I (VTEC 121)                    |              |                     |              | >=C        | 2         |
| Surgical Nursing for Veterinary Technicians VTEC 123) |              |                     |              | >=C        | 2         |
| Clinical Pathology I (VTEC 135)                       |              |                     |              | >=C        | 3         |
| Clinical Pathology I Laboratory (VTEC 135L)           |              |                     |              | >=C        | 1         |
| Anesthesia for Veterinary Technicians VTEC (141)      |              |                     |              | >=C        | 2         |
| Radiology for Veterinary Technicians (VTEC 161)       |              |                     |              | >=C        | 3         |
| Exotic Animal Medicine for Vet Technicians (VTEC 171) |              |                     |              | >=C        | 1         |
| Clinical Externship I (VTEC 187)                      |              |                     |              | >=C        | 2         |
| Small Animal Medicinen (VTEC 205)                     |              |                     |              | >=C        | 3         |
| Laboratory Animal Medicine and Nursing (211)          |              |                     |              | >=C        | 2         |
| Trends in Veterinary Technology (VTEC 215)            |              |                     |              | >=C        | 2         |
| Animal Nursing Skills II (VTEC 221)                   |              |                     |              | >=C        | 2         |
| Clinical Externship II (VTEC 227)                     |              |                     |              | >=C        | 4         |
| Large Animal Medicine and Nursing (241)               |              |                     |              | >=C        | 4         |
| Clinical Pathology II (VTEC 235)                      |              |                     |              | >=C        | 2         |
| Clinical Externship III (VTEC 257)                    |              |                     |              | >=C        | 4         |
|   |              |                     |              |            | <b>72</b> |
