

Reserve your spot today- Extremely limited space available...

Starting in May 2014, BRCC will offer a 16 week Non-Destructive Testing (NDT) training program.

Huge Earning Potential: upon exiting this course you could potentially earn around \$40,000.00- not including overtime. According to many industry representatives, after two years on the job you could potentially earn a **six figure income**.

Cost: \$3,500.00. Payment plans are available.

Training has been endorsed and designed by: Capitol Ultrasonic, *Greater Baton Rouge Industry Alliance*, and many other industry representatives.

Please call Dr. Girard J. Melancon (225-907-3887) to reserve your spot in the program and to get the details about future information sessions.
