TITLE: Reverse Transfer	
EFFECTIVE DATE: 07/01/14	
LAST REVISION: 07/01/14	Policy No. 1.4010

Policy Statement

Reverse Transfer is a process where credits earned at a 4-year college or university after transferring from Baton Rouge Community College (BRCC) are transferred back to BRCC to determine eligibility for an associate degree. This is achieved by combining the credits earned at BRCC with select credits earned at the 4-year institution.

Students who meet the following conditions are eligible for reverse transfer:

- Earned a minimum of 25% of the credit hours in a particular academic program from BRCC
- Enrolled at a 4-year accredited institution
- Earned the credits to fulfill the 2-year degree in a particular academic program
- Minimum GPA of 2.0

Transfer credits have no expiration date unless specified for a particular academic program. The above policy does not require reenrolling at BRCC.
