

## **Memorandum of Understanding Establishing a Transfer Pathway Between**

**BATON ROUGE COMMUNITY COLLEGE**  
Associate of Science in Computer Science  
AND  
**SOUTHEASTERN LOUISIANA UNIVERSITY**  
Bachelor of Science in Computer Science  
Bachelor of Science in Information Technology

This memorandum of understanding (MOU) serves as an agreement between Baton Rouge Community College (BRCC) and Southeastern Louisiana University (SELU) to facilitate transfer for students desiring to earn a Bachelor of Science in Computer Science (BSCS) or a Bachelor of Science in Information Technology (BSIT) upon completion of their associate of Science (AS) in Computer Science at BRCC.

In order to receive the AS in Computer Science degree, students must earn a grade of "C" or better in each course.

BRCC students in the AS in Computer Science degree program who declare their intent to pursue the BS in Computer Science with either the Scientific, Pre-Masters in Business Administration (MBA) concentration, or the BS in Information Technology in the College of Science and Technology at SELU will be:

1. Admitted to SELU as a junior upon successful completion of the BRCC AS in Computer Science and an overall GPA of 2.0 on all work attempted.
2. Admitted to SELU using the catalog of record upon entry at SELU or BRCC, whichever is more beneficial to the student, and assigned a faculty advisor at SELU for assistance in accordance with policies of SELU's College of Science and Technology.

In Accordance with this Memorandum of Understanding, SELU agrees to:

1. Deliver curriculum information to BRCC for the BSCS degree program (both Scientific and Pre-MBA concentrations) and the BSIT degree program.
2. Encourage and support students to complete the AS in Computer Science prior to progressing to the BS program at SELU.
3. Provide advisors to participating students in the AS in Computer Science at BRCC. Advisors will be available by telephone and email, as well as on-site appointments.
4. Communicate any and all degree program changes to BRCC in a timely manner.
5. Encourage BRCC students to become engaged in activities and/or events held by professional student organizations at SELU.

In accordance with this Memorandum of Understanding, BRCC agrees to:

1. Maintain files related to the progression of students in this program.
2. Encourage students to pursue the transfer pathway and to advise students to progress in a timely manner.
3. Develop, in conjunction with SELU, an "Intent to Participate" agreement that will allow seamless record transferability and data sharing in compliance with the Family Educational Rights and Privacy Act (FERPA).
4. Provide SELU with participating student transcripts to facilitate the recording of student data at SELU and to allow for timely advising, with student consent.
5. Convene annually with SELU representatives to assess program progress.
6. Communicate degree program changes to SELU.
7. Promote and market the program in the BRCC service area.
8. Recognize the transfer pathway in the BRCC catalog under the program description for Associate of Science in Computer Science.
9. Coordinate student participation in SELU activities and/or events held by student organizations.

Additional Information:

This agreement is effective upon signing. Either party may terminate the agreement through a written notice of intent at the end of the semester of notification. Should the agreement be discontinued, students who declared their intent to participate will be allowed to progress through the program and complete according to the terms of the original agreement.

Changes to this agreement may be made at any time, in writing, with a 60 day notice, with the express written agreement of the chief academic officers of each campus.

Both parties will share assessment data and will meet periodically to assess the program.

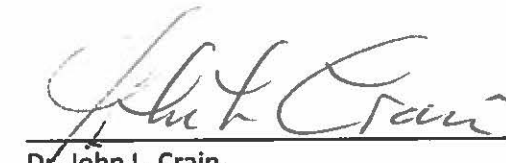

Attachments indicating the current Associate of Science in Computer Science degree at BRCC and the transferability of that degree's credits to a Bachelor of Science in Computer Science and Bachelor of Science in Information Technology degree at SELU are attached and made a part of this agreement.

For BRCC:

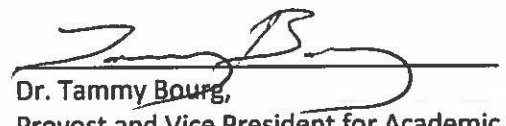

Dr. Andrea Lewis Miller,  
Chancellor

For SELU:

Dr. John L. Crain,  
President

Dr. Tammy Bourg,  
Provost and Vice President for Academic  
Affairs

Dr. Jo Dale Ales,  
Dean, STEM Division

Dr. Daniel McCarthy,  
Dean, College of Science and Technology
