The Agreement fosters a collaborative relationship between the parties by establishing a systematic plan for students to continue their education beyond the degree achieved and complete a BA/BS degree program from AU, or a MS in Nursing through the RN-to-MSN Bridge Program at AU.

Faculty and staff that apply for admissions to Aspen University will have previously earned credits assessed by Aspen University personnel at the time of application. In addition to the above mentioned AU programs, the following degree programs would be available for faculty and staff.

Bachelor of Science in Foodservice Operations and Restaurant Management
Bachelor of Science in Alternative Energy
Bachelor of Arts in Psychology and Addiction Counseling
Masters of Science in Physical Education and Sports Management
Master of Business Administration
MBA Specialization in Entrepreneurship
MBA Specialization in Finance
MBA Specialization in Information Management
MBA Specialization in Pharmaceutical Marketing and Management
MBA Specialization in Project Management
Master of Science in Criminal Justice
Master of Education
Master of Science in Nursing
Master of Arts in Psychology and Additional Counseling
Master of Science in Information Management
Master of Science in Information Systems
Master of Science in Information Technology

Master of Science in Technology & Innovation
Doctorate in Education – Leadership and Learning
Doctorate of Science in Computer Science

Administrative Principles

The following general principles guide the operations of this Agreement.

A. Admission and Graduation Requirements

- i. All AU admission requirements apply to all students who transfer from LCTCS to AU under this agreement in addition to LCTCS faculty and staff.
- ii. A minimum GPA of 2.0 is required for transfer credits at the undergraduate level.
- iii. Applicants successfully completing the articulated program who meet all applicable AU admissions requirements and who have not matriculated at any other institution of higher education will be guaranteed transfer admission to AU.
- iv. Students must fulfill all program completion and graduation requirements at both institutions to receive the AU degree.

B. Transfer of Credits

- i. A maximum of 90 LCTCS credits successfully completed by the student will be allowed towards fulfillment of the 120 credits required for baccalaureate completion at AU.
- ii. AU will make every effort to provide students the maximum credit they are due in adherence with the standards and best practices of all AU relevant accreditation bodies.
- iii. Courses credits will transfer as described in the Program Articulation Table Addenda.
- iv. Courses meeting general education requirements at LCTCS will be transferred to AU as general education courses according to the Program Articulation Table. Other general education requirements will be met using required or elective courses at AU as appropriate.
- v. It is possible that not all transferable credit accepted by AU will be applicable to the degree program.

C. Implementation and Review

- i. The Chief Academic Officers of the parties to this Agreement will implement the terms of this Agreement including identifying and incorporating any changes into subsequent agreements, assuring compliance with AU policy, procedure and guidelines.
- ii. The performance of this agreement will be continually monitored and annually reviewed by AU and LCTCS.
- iii. AU and LCTCS agree to communicate program changes in a timely manner to avoid disruption to student process toward degree completion.
- iv. AU and LCTCS shall work to resolve any necessary transfer of course credits and should changes to AU programs, LCTCS programs or both occur while the agreement is in effect, work to amend or supplement this Agreement accordingly.
- v. AU and LCTCS will jointly promote the provisions of the partnership between AU and LCTCS on each organization's respective website.

D. Tuition & Fees

- i. Associate's degree graduates of LCTCS accredited schools accepted into a Bachelor of Arts or Bachelor of Science degree program at Aspen University will pay a per-credit tuition rate discounted 10% off the standard tuition cost per-credit.
- ii. Associate's degree graduates of LCTCS accredited schools accepted into the RN-to-MSN Bridge program leading to the Master of Science in Nursing at Aspen University will pay a per-credit tuition rate discounted 10% off the standard tuition cost per-credit.
- iii. Faculty and Staff that are graduates of Associate's degree programs at accredited schools, accepted into Bachelors of Arts or Bachelors of Science degree programs will pay a per-credit cost discounted 10% off the standard tuition cost per-credit. Faculty and Staff that are graduates of degree programs at accredited schools, accepted into Masters of Arts, Masters of Science, or Doctoral degree programs (including the RN-to-MSN Bridge Program) will pay a per-credit tuition rate discounted 10% off the standard tuition cost per credit.

E. Term and Termination

- i. This Agreement becomes effective on the date set forth on the first page of this document.
- ii. Either party may terminate this agreement after adequate notice, defined as 90 days, to the other party.
- iii. Termination of the Agreement must be accompanied by a plan to allow all currently enrolled students to complete their program of study under the terms of the agreement.

F. Confidentiality

- i The Parties agree that all proprietary information, including student information, is "Confidential" and shall remain so during the term of this Agreement and thereafter.

G. General Provisions

- i This Agreement is made, entered into, and executed by the parties pursuant to the policies of the Accrediting Commission of the Distance Education and Training Council ("DETC").
- ii This document shall be the entire understanding and agreement between the parties with respect to the subject matter set forth herein, and all prior agreements, understandings, covenants, promises, warranties, and representations, oral or written, not incorporated herein and superseded hereby.

H. LCTCS institutions must be accredited by an accreditation agency recognized by the United States Secretary of Education and/or the Council for Higher Education Accreditation (CHEA) or an accepted foreign equivalent that is listed in the International Handbook of Universities.

- i This Agreement is not exclusive and either party may enter into similar agreements with other institutions.
- ii This Agreement and any amendments and supplements shall be interpreted pursuant to the laws of the State of New York.

This agreement is entered into on this 18th day of May, 2012 (Effective Date) by and between Aspen University and Louisiana Community & Technical College System.

IN WITNESS WHEREOF, the Parties have signed this Agreement as of the Effective Date.
