It is the policy of Baton Rouge Community College not to discriminate on the basis of age, sex, race, color, religion, national origin or disability in its educational programs, activities or employment policies.

## PROGRAM INFORMATION

Graduation from Baton Rouge Community College (BRCC) Associate Degree Nursing Program provides eligibility for students seeking licensure through the Louisiana State Board of Nursing as a Registered Nurse (R.N.). The R.N. is educated as a generalist who delivers health care to individuals, families and groups and has competencies related to the profession of nursing. The R.N. may be employed in a variety of acute, chronic, and community-based health care settings. Registered Nurses function within their legal scope of practice and use professional standards of care in illness care and health promotion activities for clients and families across the life span. The Associate of Science in Nursing Degree provides the graduate with an educational foundation for articulation into the university setting.

The Louisiana State Board of Nursing (LSBN) requires all applicants to complete an *Application for Approval to Enroll in a Clinical Nursing course* form and an authorization form for a criminal background check. Applicants who have been charged with, pled guilty or nolo contendere to, been convicted of, or committed a criminal offense that involves a crime of violence or distribution of drugs may be denied the right to practice nursing as a student in Louisiana.

In order to be eligible for admission to the Department of Nursing, the applicant must first be admitted to Baton Rouge Community College (BRCC). The College application is available from the Office of Enrollment Services, or online at <http://www.mybrcc.edu>. The Department of Nursing application and all supporting documents must be received by the designated deadlines. **Applicants will not be considered for admittance to the Department of Nursing until all required documents have been submitted and the applicant's file is complete.** A copy of the application and all supporting documents should be retained by the applicant since the Department of Nursing will not return the original application or any supporting documents. All correspondence will be sent to the applicant's permanent address. Admission to the Department of Nursing is competitive and will be based on the following criteria: 1) GPA in 16 credit hours of required courses, 2) number of required courses completed with a grade of "C" or higher at BRCC and 3) student's score on the nursing admission test.

**It is important to note that simply meeting requirements for admission to the nursing program does not guarantee admission.**

## APPLICATION PROCESS

**STEP 1** **BATON ROUGE COMMUNITY COLLEGE ADMISSION REQUIREMENTS**-In order to be considered for admission to the nursing program you must be admitted to Baton Rouge Community College. If you are not already a BRCC student you must Complete and meet the BRCC admission requirements.
