

### **Registration process for SPSM 0103 and MATH 1003:**

1. Find an open section of SPSM 0103. Click add.
2. The title of the SPSM 0103 course gives you the CRN of your MATH 1003 course.
3. Select "Search again." Select the CRN tab. Enter the CRN for the MATH 1103 course.
4. Add the 1003 course. Click submit to add both the SPSM 0103 and MATH 1003 course to your schedule.

If you click "submit" without having both classes, you will receive an error message that tells you which co-requisite course to add to your schedule by CRN. If you have questions, email [stem@mybrcc.edu](mailto:stem@mybrcc.edu).

If you do not have current scores on one of the tests listed, contact your advisor for more information on the self-directed placement surveys in math and English.

### **Registration process for SPSM 0103 and MATH 1103:**
